hemispheres.cz

- 1 left hemisphere | 2 right hemisphere
3 grooving = the basis of life

Stop by for a proper cocktail...

We mix cocktails for you using all the hemispheres available to us. We work in accordance with the philosophy of a **balanced combination of creativity and efficiency**. For us, you are always a partner and together we seek the optimal solution.

A custom-made cocktail may consist (not only) of the following:

- strategic media planning, consultancy and marketing strategy,
- design and realization of regional and worldwide campaigns, including media buying (TV/radio, internet, outdoor, print, etc.),
- comprehensive design and organization of events (conferences, seminars, roadshows, teambuilding, press conferences ...),
- graphic and packaging design,
- corporate identity design, branding a brand management,
- 3D visualization, CGI, photography, audio/video,
- development, visualization and production of POSM and TPOSM (information and sales systems, product presentations, models),
- design and supply of promotional items.

Stop by for an espresso and together we will prepare a cocktail that best fits your wishes and needs.
